## PUBLIC TRANSPORT

For the use of public transport in Munich (S-Bahn, U-Bahn, inner-city buses, tram) we recommend the 49 EUR-ticket at a price of 49,00 € per month. This ticket offers the great opportunity that passengers nationwide can use public transport for only 49,00 euros per month.

<https://int.bahn.de/en/offers/regional/deutschland-ticket>

Very important: as the Deutschlandticket is automatically renewed, we strongly recommend that you immediately after purchasing the subscription cancel it. In this way the subscription will only be valid for one month.

## ELECTRICITY

In Germany, electronic devices run at 220 – 230V with a frequency of 50 Hz. Please make sure that your plugs fit a type C or type F socket! If not, please consider purchasing an electronic adapter before your arrival.

## PHONE / MOBILE INTERNET

**Call Shops:** Probably the cheapest way to make phone calls is using the Call Shops near central station (Hauptbahnhof).

**Cell Phones:** Of course, you can also check with your current cell phone provider if it would be financially feasible to change your current contract accordingly.

**Prepaid Cards:** SIM-cards with a German number which can be used with your own cell phone. Such cards can be bought at supermarkets (approx. € 10.00). Please note: Most of the SIM-cards are no micro SIM-cards (you need for iPhone, e.g.).

## INSURANCE

### Health Insurance:

Please note that you need health insurance in Germany.

### Accident Insurance:
